Requirements for the Minor in Intelligence Studies (12 credit hours):

- LIS 4671 Introduction to Intelligence Studies
- LIS 4672 Critical Thinking and Methods for Intelligence Analysis
- LIS 4673 Open Source Intelligence
- LIS 4029 Professional and Technical Communication for Analysts

I confirm that I am in good academic standing with a cumulative GPA of 2.0. I have completed at least 45 hours of college credit.

I understand in declaring a minor, I may incur an excess credit hour surcharge according to Florida Statute, Section 1009.286.

I understand that this minor is 12 semester hours; at least 8 semester hours of credit used to satisfy the requirements must be from USF courses.

I understand that I must maintain a 2.0 GPA in the coursework required for the minor and a minimum grade of C or better must be earned in each course.

I understand that I may not have a major and a minor in the same program (although USF does not have an Intelligence Studies major). Courses used in the major may not apply to the minor. A minor can be applied for and awarded only in conjunction with applying for and receiving a baccalaureate degree.

Student Signature: _____ Date: _____

If you are eligible to pursue the Minor in Intelligence Studies, once it has been applied to your record, it will show in your DegreeWorks audit. Please understand, however, that Ms. Dick will be extremely busy in the initial phases of student registration. You can still register for the classes, so the declaration is not time sensitive. She will get to it, but if you don't hear from her in 3-4 weeks, you can send a gentle reminder.
